DOMUS

Bathmood DOMUS interpreta il bagno come spazio dell’abitare, riconoscibile e accogliente. Volumi pieni e proporzioni equilibrate costruiscono un linguaggio formale più espressivo, capace di restituire solidità e senso di permanenza.

Una presenza più decisa, lontana dalla pura linearità, dà vita a composizioni dalla forte identità visiva, che trasformano il bagno in un ambiente quotidiano e autentico.

EN

Bathmood DOMUS interprets the bathroom as a true living space – distinctive and welcoming. Solid volumes and balanced proportions shape a more expressive language of forms, conveying a sense of solidity and permanence.

A more defined presence, moving beyond pure linearity, gives rise to compositions with a strong visual identity, transforming the bathroom into an authentic, everyday environment.

DE

Bathmood DOMUS interpretiert das Badezimmer als Wohnraum – erkennbar und einladend. Volle Formen und ausgewogene Proportionen schaffen eine ausdrucksstärkere Formsprache, die Stabilität und Beständigkeit vermittelt.

Eine deutlichere Präsenz, fernab reiner Linearität, erzeugt Kompositionen mit starker visueller Identität, die das Badezimmer in eine authentische, alltägliche Umgebung verwandeln.

FR

Bathmood DOMUS interprète la salle de bains comme un véritable espace de vie, distinctif et accueillant. Des volumes pleins et des proportions équilibrées définissent un langage formel plus expressif, capable d’exprimer solidité et pérennité.

Une présence plus marquée, au-delà de la pure linéarité, donne naissance à des compositions à forte identité visuelle, qui élèvent la salle de bains au rang d’espace quotidien et authentique.
